OFFICE OF THE Director of INDUSTRIES & COMMERCE,

DIARY No. 6087

FROM

ALFRED CHATTERTON, ESQ., C.I.E., Director of Industries & Commerce in Mysore.

Bangalore,

19/2-1913
SECTION & ent...
FILE No. 310/2
SERIAL No. 5.

TO

The Secretary to the Government of His Highness the Maharajah of Mysore in the Department of Industries and Commerce, Bangalore.

SIR,

I have the honour to state that in the budget of this Department for the half year January to June 1913, Government have sanctioned a provision of Rs. 5,500/- specifically for the purchase of instruments, levelling and mathematical, portable engine and pump. Out of this grant, levelling and mathematical instruments costing Rs. 714-10-0 have already been purchased from the Executive Engineer, Water Supply and Stores Division, and I am shortly placing an order for the engine and pump. Tools of a miscellaneous character such as gas stock and dies, pipe wrenches, &tc. have also been purchased to the extent of about Rs. 500/- as necessity arose, and some more have yet to be purchased. But in connection with the purchase of two pipe wrenches, costing Rs. 17-8 each, the Controller refers to para 256 of the Mysore Treasury Manual and requests that the sanction of Government may be obtained and furnished for this purchase. It is a point for consideration whether the sanction of Government is necessary in each individual case as contemplated in para 256 of the Treasury Manual when the budget provision is specific, and if it is necessary, I request that sanction may be accorded for the purchases that have already been made, and that will be made in future under this head.

I have the honour to be,

Sir,

Your most obedient servant,

Alfred Chatterton

Director.
